

## 2021 CALIFORNIA RED SIX EIGHT NINE

### *The Year*

The 2021 growing season was typical through early spring with warm days and cool nights. Early summer through harvest gave us some unexpected heatwaves, however there were plenty of marine breezes and mild weather prevailed. This year's fruit was vibrant and beautiful, which has led to a complex and well-balanced vintage.

### *Winemaker Notes*

Our 2021 vintage is juicy and bright with abundant amounts of opulent red fruit. Aromas of rich wild berries entice the nose while layers of luscious cherry and blackberry coat the palate. The finish highlights depth and balance, combining soft tannins with a hint of spice and licorice.

### *Blend*

Zinfandel, Cabernet, Merlot and Syrah

Alc./Vol. 13.5
