

2020 NAPA VALLEY RED WINE

The Year

The 2020 growing season began with a drier winter than normal, followed by a cool spring and mild summer. Bud break was slow, but longer hang time and ideal weather conditions allowed for a nice and balanced crop. This year's fruit has great color, structure and complexity which has led to a perfectly well-balanced vintage.

Winemaker Notes

Our Napa Valley Red wine is once again a crowd pleaser. This year's release boasts a magnificent bouquet of red cherries, followed by flavors of crushed blueberries, warm blackberry pie and spice. Layers of complexity are wonderfully concentrated in the mouth and lead to an exotic, rich and juicy fruit finish.

Blend

Zinfandel, Cabernet, Merlot, Syrah and Petite Sirah

Alc./Vol. 13.5
